Board Report

January 9, 2019

Met with Leadership team and interviewed possible candidates for PPA.

Weekly Common Planning Meeting with 2nd Grade

- Met with 2nd grade team to provide feedbacks and directives based on classroom observations.
- Advise team to continue with the “chunking” of the Math assessments for the students.
- Advise the team to continue monitor the students who have been discussed with the Child Study Team (CST). Utilize the strategies that have been given. Will reconvene to discuss.
- Students are currently being F & P as we prepare for the next Parent Teacher Conference scheduled for February 14, 2019.
- Teachers created classroom goals.

Weekly Planning with RISE and MISE

- The RISE team is currently conducting a 4- week progress monitoring for all the students in RISE. The staff will provide a report for each student outlining a brief synopsis of their observations. The report will be given to the teachers in order to further work on the skills/strategies that are being utilized in RISE.
- The MISE staff continues to service the students in Mathematics.

Upcoming Plans

- Will collaborate with Mr. Fairley in order to plan the 2nd Parent Support Service Workshop.
