Dear Ms. Leon

This letter serves as notification that the New York City Department of Education Office of School Design and Charter Partnerships has no objection to Brandon Jeffries serving on the Board of Trustees of Peninsula Preparatory Academy Charter School.

Please take this opportunity to update your board roster. Within the next 5 business days, please send us an updated copy of your board roster in the format that was provided for you by the New York City Charter Schools Office of School Design and Charter Partnerships. Please e-mail the updated roster to Kaitly Padgett, Director, Evaluation and Policy at kpadgett@schools.nyc.gov.

As well, thank you for working to increase the capacity of your school's Board.

Sincerely,

A handwritten signature in black ink that reads 'Maria Campo'.
