

## Chief Technology Officer Report

- **We are working on Achieve 3000 and post the highest participation score on the website and [facebook.com/peninsula.prep](https://www.facebook.com/peninsula.prep)**
- **Facebook and website are updated every day with all the events, pictures, and high score for the day.**
- **The database is being used by teachers to do attendance, behavior incidents, and grades.**
- **The database has a new releases, when a student reaches below a 75% it will email administration.**
- **We received desktops from donation and are in the process of reformatting them, and repurposing them to classrooms.**
- **Our YouTube Channel is up <https://www.youtube.com/peninsulaprep>.**
- **Demo for parents at the PTO meeting, how to log in to iready, achieve3000, and Pearson.**
- **We are waiting for final sign off in order to get our mobile lab.**
