Culture Board Report March 2015 Mr. Glasco Director of Student Support Services

Glasco has actively initiated parent concern meetings with scholars who are not meeting school-wide behavioral expectations. This approach reinforces both home and school collaboration to best support our most challenging scholars.

Glasco attended **Rethinking School Discipline** workshop held by the Special Education Collaborative.

Since the last board meeting there were 0 suspensions:

ISS
0

OSS
0

Bus Suspension
0

To address bus safety Glasco has spoken with several families about the privilege of bus transportation, and scholar's behavior. In addition Glasco followed up with the bus driver to provide adequate supervision and safety for all PPA scholars.
