

Special Education Monthly Report –June 2016

Norman S. Fairley- Special Education Coordinator

IEP STATS:

Since the last board meeting in May:

- Scholars with Individualized Education Plans remains at 40
- Two parental request for a Special Education Evaluations

The Special Education Department would like to update all parents requesting special education evaluations, of the Committee on Special Education (CSE) policies during the summer months. Parents are advised to continue to maintain ongoing contact and keep appointments to assure a decision for eligibility of services for their children. Parents are also advised that if the case is closed, they **must** start the evaluation process over in the 2016-2017 school year. Contact information will be provided to assist in any special education matters that might arise. All meetings will be conducted at the Rockaway Blvd CSE District 27 office in Ozone Park , New York.
