

Special Education Monthly Report – February 2016

Norman S. Fairley- Special Education Coordinator

IEP STATS:

Since the last board meeting in January:

- Thirty five Scholars with IEP's. (one scholar declassified)
- Four parental request for Special Education Evaluations
- Five Individualized Education Plan Annual Reviews
- One scholar deemed ineligible for an Individualized Education Plan.
- Additional Academic Accommodations added for one scholar

The Special Education Department, in conjunction with the Academic Intervention Support team, is currently completing the second tier of the RTI process. We are reviewing each scholars progression , to decide what will be the next step in providing the most rigorous academic support. Parents are currently attending procession at the CSE office on Rockaway Blvd. This will hopefully reduce the Evaluation process timeframe, which will allow scholars to receive the necessary academic support and accommodations.
