- Thirty five Scholars with Individual Education Plans.
- Five parental request for Special Education Evaluations

The Special Education Department, in conjunction with the Academic Intervention Support team, is continuing collaboration with teachers who currently have scholars in tier three of the RTI process. Parent conferences have been requested to discuss the next steps to support struggling scholars. To date, five parents have requested Special Education Evaluations for their children .Parents continue to attend procession at the CSE office on Rockaway Blvd. This has reduced the Evaluation process time, which will allow scholars to receive the necessary academic support and accommodations.
