

Special Education Monthly Report – May - 2016

Norman S. Fairley- Special Education Coordinator

IEP STATS:

Since the last board meeting in May:

- Scholars with Individualized Education Plans, has increased from 37 to 40
- One parental request for a Special Education Evaluation
- Three scholars deemed eligible for Individualized Education Plans
- Two Individualized Education Plan Annual Reviews
- Additional Academic Accommodations added for one scholar

The Special Education Department continues to receive daily requests from parents seeking sped evaluations for scholars who are struggling academically. Parents are notified of the only option which is to attend procession at the Rockaway Blvd CSE office. This option will expedite the process, which in turn allows those eligible scholars the opportunity to receive the necessary support before the close of the school year.
