

Special Education Monthly Report – January 2016

Norman S. Fairley- Special Education Coordinator

IEP STATS:

Since the last board meeting in November:

- Thirty Six Scholars with IEP's.
- Four parental request for Special Education Evaluations
- Six scholars with Individualized Education Plan, annual review
- Two, upcoming Initial Individualized Education Plan evaluation review.

The Special Education Department, in conjunction with the Academic Intervention Support team, is currently on the second tier of the RTI process. We continue to provide rigorous support for scholars struggling academically. Parents are now able to attend procession at the CSE office on Rockaway Blvd. This will expedite the Evaluation process, which allows scholars to receive the necessary academic support and accommodations.
