

Rachele Pierre
Director of School Culture / 5th Grade Coach
Board Report
March 10, 2021

- Met weekly with 5th grade team to:
 - Plan
 - Discuss student engagement
 - Examine data
- Reorganized the instructional design / practice in Track C to support all students and promote academic success / growth based on data and observations.
 - As a result, the students who needed the extra support have shown growth in their assessments.
- Conferred with teachers to discuss Achieve data and set goals for them in order to increase their reading Lexile levels.
 - Directed the teachers to confer with students to set goals for Achieve
 - Many students made great gains in their Lexile levels for the month of February.
 - Established monthly Achieve Lexile goal for each track
- Provided small group / one on one intervention for at risk students during school and after school.
- Conducted parent meetings re: student attendance and academic concerns based on data
- Participated in CST meetings in regard to students with academic concerns / needs.
 - Provide targeted intervention strategies to teachers to support and meet their students' needs.
- Attended and completed Capit Learning's Online PD and Virtual PD in order to support the struggling readers.
