

Board Meeting
November 12, 2020

Zoom Platform Instruction

Leadership

- Leadership met with Grade teachers, RISE and AIS to discuss any concerns.
- Leadership met to discuss how to provide additional support to the teachers in ELA or Math.
- The staff attended Wonders Professional Development Workshop on November 4, 2020.
- The coaches met with the SPED teachers to create a plan to effectively support the SPED students.

Meeting with 2nd Grade Team

- Visited teachers' classrooms/tracks and provided verbal feedback based on instruction.
- Prepared Math and ELA exams for the Grade
- Supported teachers in the administering of Math and ELA exams
 - Completed Topic 1 Math Assessment
 - Completed Wonders 1st Progress Monitoring Assessment
- Met with the teachers to discuss the importance of analyzing the data after assessments in Math and ELA
 - Teachers must provide avenues for the students to review concepts not received as correct and to track students' progress.
- Informed the teachers to write an anecdotal for any student who may need to be referred to the Child Study Team (CST).
- In ELA, allowed the teachers to provide a strategy to implement meeting the different readers within their track/class.

RISE and AIS

- In RISE, we welcomed our new teacher to the team.
- Met with the RISE team to plan for the preparation of progress reports for the students they service.
- For K-2 AIS math....
 - Met with the teacher and shared data for the students she services
 - In addition, met with coach and teacher to discuss progress of students in 1ST Grade.
- For 3rd - 4th AIS math...
 - Met with the coaches (3-5) to ascertain a list of students who would benefit from receiving Math AIS.
 - Met with the teacher to solidify the names and to address any other concerns

**PPA will host its 1st Support Services Workshop on Tuesday, November 17, 2020
@10:00am.**
